CHIROPRACTIC & WELLNESS

Dr. John A. Petry  
Dr. Matthew M. Houfe  
75 W Fulton Street  
Edgerton, WI 53534  
608-884-3100

Dear Patient,

Thank you for scheduling an appointment at Petry Chiropractic & Wellness! Enclosed you will find several new patient forms for you to complete prior to your first appointment. Please fill them out completely (some are double-sided) and send or bring any pertinent records with you to your appointment.

You can expect your initial visit to last approximately one-hour. In this visit, we will discuss your health history in detail, discuss your health concerns, and perform a physical examination. X-ray's of your spine may also be taken. The treatment you receive during the first visit varies depending on the nature of the issue. The doctor might provide chiropractic adjustments, therapy or make a recommendation for a nutritional supplement. You may also receive advice on additional self-treatment protocols like icing/heating, and home exercises to assist in improving the effectiveness of the treatment received in the clinic.

It is our goal to help you feel better, and we will work with you as a partner in your health care. Should you have any questions about your appointment, our fee schedule, payment, or insurance coverage, please do not hesitate to contact our office at 608-884-3100.

We look forward to meeting you and introducing you to chiropractic care and helping you achieve optimal health through chiropractic adjustments, exercise, diet modification, and nutritional supplements.

Sincerely,

Petry Chiropractic & Wellness, LLC
